- Ongoing, 24 / 7 support for the life of the system\*

\*upon payment of yearly maintenance fee

Manufacturers today are looking to technology and automation to assist in improving their processes, quality and production rates. But the high cost, long lead times and complex configuration requirements can be daunting to a smaller operation or overkill for simple process. That's where Guide My Work comes in! This cloud-based, subscription Manufacturing Execution System (MES) service gives you the benefit of this highly beneficial software without the headache.

### Guided Work Instructions

- Step by Step instructions to guide operators through the build process
- Utilize multiple images & videos to highlight important steps
- Sound options for additional instruction guidance & alerts

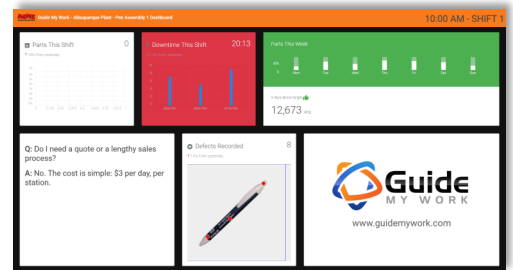

### Integration Capabilities

- PLC (Allen Bradley, Modbus, Siemens)
- Open Protocol Torque Tools
- Ethernet Capable Printers
- Barcode Scanners
- Keyboard Wedges

### Easy To Use Administrative Features

- Real-Time Feedback
- Standard Reporting Includes: Cycle Time, Production & Defects
- Instant Instruction Updates
- Production Dashboard
- E-mail and Text Alerting for QA, Maintenance, IT & more

### Low Installation Cost & Requirements

- No server required — Instant download
- Minimal hardware needed
- The best part—LOW COST!

# ONLY \$3

## PER DAY & STATION

*\*And you only pay for the days you use it!*
